

Aluminium Communal Doors

EA-RS

Working alongside the private sector and some of the largest social/affordable Housing Associations in the country, EA-RS have devolved a range of safe, secure and practical communal entrance solutions.

We have designed EA-RS Portcullis doors to withstand the challenges communal entrances face, delivering our clients highly durable and low maintenance solutions.

EA-RS Portcullis Doors

EA-RS Portcullis doors benefit from the following features;

- High quality, commercial grade, aluminium construction
- 10.8mm laminated anti-bandit safety glass
- Choice of external pull handle
- Door system tested to PAS23/24
- Mortised, dual mag-locks, in face of door stile preventing distortion of door
- Concealed transom closer, with anti-finger trap stile
- Dual weather seals to perimeter of door leaf
- Low profile DDA aluminium threshold
- Choice of over 100 durable powder coated finishes
