

# CPD – SECURED BY DESIGN: DOORS THAT OPEN A NEW LEVEL OF SECURITY IN SOCIAL HOUSING

## CPD by EA-RS Group

Delivered by EA-RS Group, this presentation aims to introduce the role of Secured by Design in relation to Security Doors in Social Housing.

By the end of the seminar, participants will gain a greater understanding of Secured By Design, what they have managed to achieve since their inception, and the different levels of compliance.

To conclude, participants will also understand how communal entrance doors link to Secured By Design and how manufacturers achieve Secured By Design accreditation.

## Learning Outcomes:

- ➔ An introduction to Secured By Design and why it exists.
- ➔ To gain an understanding of Approved Document Q and how this links to Secured By Design.
- ➔ Building knowledge of how manufacturers become Secured By Design accredited and how they produce certified door sets.
- ➔ An understanding of different typical industry tests and what they entail.
- ➔ How to apply Secured By Design to communal entrances for social housing refurbishments and new builds.

**Length: 1 hour (to include a Q&A session)**

**Delivery: Face to face at your offices or virtual via Microsoft Teams**
